

Collapsing the forces of Babel

Genesis 11:1-8

New International Version

The Tower of Babel

11 Now the whole world had one language and a common speech. ²As people moved eastward,^[a] they found a plain in Shinar^[b] and settled there.

³They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar. ⁴Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise we will be scattered over the face of the whole earth."

⁵But the Lord came down to see the city and the tower the people were building. ⁶The Lord said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be impossible for them. ⁷Come, let us go down and confuse their language so they will not understand each other."

⁸So the Lord scattered them from there over all the earth, and they stopped building the city. ⁹That is why it was called Babel^[c]—because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth.

These events happened some years after the historical Noah floods. Eventually water dried from the surface of earth and Noah and family alighted from the ark

The earth was now filled with one family. The people who knew one another as a family, who spoke and understood one language, and who spoke in one voice

It was such a wonderfully united population

Population continued to increase and people kept on moving to safer places and eventually came to the plains of Shinar and it pleased them to dwell there.

They however sensed that due to the continued growth and expansion of families, sometimes in the future some of them may move far away and the unity of the population would be undermined.

They therefore thought of building a city in the plains that would have tall towers even to touch the heavens such that even if one was to wonder far away from home but they would be able to locate it back by seeing the towers from a far distance. They said they would do this to make their own a name

For this reason God was not pleased with their move and when He visited them He confused their language so that they would no longer understand one another. 1Corinthians 10:31, "so whether you eat or drink or whatever you do, do it all for the glory of God!"

As long as you speak one language, as long as you easily understand one another, as long there is unity of purpose God says that you will achieve every goal that you have set

So by striking their tongue God broke that bond of unity in the sons of men. Power, dominance, authority, success, prosperity and ability to subdue is lost

The scripture in verse 8 and 9 says that what they feared befell them. They scattered across all face of the earth. Spoke different languages and they would not build the tower neither the city for they could not understand one another

Today I want to speak to someone who has been divided from within (Body, Spirit and Soul) and the union of their system is not there

What the spirit wants is what the body hates and the soul has different demand. There has been war from within, the body fighting the spirit and the soul has become a victim of endless struggles

The spirit wants to pray but the body wants to sleep. The spirit wants to fast and pray but the body pains with hunger. The spirit wants to wake up early but the body is lazy and wants to extend the night. Generally as the spirit pulls to the north, the body is pulling to the south

It is time to unify the soul, spirit and the body to pull to one direction (of God) without internal wars so that the tower that we must build can be build.

Paul in 1 Corinthians 12:-26 (teaching the church on the unity and diversity of the body) say that (26 if one part suffers, every part suffers with it; if one part is honoured, every part rejoices with it.)

He points out that wars between and amongst any parts of the body systems will only make the body weak and expose it to inabilities

Is Jesus concerned about the disunity that was orchestrated by God upon humanity? Yes, although Jesus was sent to save us from the condemnation of sin and eternal death, after He finished this work He pleaded with His father to restore this unity. That is, the restoration of power, authority, dominance, success and prosperity. The power to build your tower and leave a legacy

John chapter 17 is where you find this prayer by Jesus for us. In verse 9 Jesus says "I pray for them because they are your people and they are also mine"

Verse 11 "protect them so that they may have unity". In 15 "I pray for them not to be taken away from the world, but so that as they dwell in it you protect them from Satan"

22 "I pray thee father that they may be one as you and I are"

This initial division under the mighty hand of God at Babel was forgiven. For whatever prayer the Son has made to the Father is given (John 11:41 rising of Lazarus). Any other division is not of God. Now I command every spirit of Babel causing noise, confusion and division between the body, soul and Spirit in you to die in Jesus name
